## The Perfect Background Music for Your Medical Office

### SiriusXM Knows Physical Therapy Music

Are you using business background music in your physical therapy practice? If not, you should consider it. While physical therapy is a proven effective treatment for all kinds of muscle and joint conditions, studies show that adding physical therapy music can help your patients feel more comfortable, reduce their pain levels, and encourage them to more fully engage the treatment. Explore this page to learn how SiriusXM Business Music can help drive positive patient outcomes in your physical therapy practice.
